123. Give 2 examples of the most famous French wine brands.
124. Is Monaco a republic?
125. Locate Andorra on the map.
126. Locate the largest French cities on the map.
127. Which country has been politically neutral since 1815?
128. Give 2 examples of Swiss firms.
129. Locate the largest Swiss cities on the map.
130. Is Liechtenstein a republic?

131. When did Iberian peninsula turn to Catholic belief again?
132. Describe the climate of Costa Brava.
133. What is the capital of Portugal, Spain, Italy and Greece?
134. Which centuries did Portuguese experience the greatest expansion in the past?
135. What is the name for the most famous tourist region in Portugal?
136. Which commodity is Portugal the leading producer and exporter of?
137. Give 3 examples of the most attractive tourist regions in Spain.
138. Which cash crops are grown in Spain mostly?
139. What is a fiesta?
140. Locate the largest Spanish cities on the map.
141. Describe the economic difference between the north and the south of Italy.
142. Give 2 examples of historical buildings in Italy (Rome and Venice).
143. What is a siesta?
144. Locate the largest Italian cities on the map.
145. What is Vatican City famous for?
146. Which building is the most famous in Vatican City?
147. Which economic sector provides main income for citizens of San Marino and Malta?
148. Why has Malta been tried to capture by many nations in the past?
149. Which main islands does Malta consist of?
150. Tell whom does this flag belong to. (test)
151. Which peninsula is the largest in Greece?
152. Compare religious structure among people living in South-European countries.
153. Give 3 examples of islands belonging to Greece and located in Aegean Sea.

154. What is the capital of Croatia, Bosnia, Serbia, Montenegro, Macedonia, Albania, Romania and Bulgaria?
155. Which of South-East European countries is the poorest?
156. Do you think Kosovo should become independent country? Why?
157. Which river divides Croatia and Hungary?
158. Which river divides Croatia and Bosnia?
159. What is the name for traditional Croatian tourist area?
160. Locate the largest Croatian cities on the map.
161. What was the reason of civil war in former Yugoslavia?
162. Locate the largest Bosnian cities on the map.
163. Which of former Yugoslav republics was considered to be industrial centre?
164. Where can we find Vojvodina region?
165. Describe the political situation in Serbia.
166. Which of former Yugoslav republics experiences many earthquakes? Why?
167. Who ruled Romania until 1989?
168. Where in Romania did Mr. Dracula live?
169. Locate the most important port of Romania and Bulgaria.
170. Tell during which centuries Slovaks migrated to South Land of Austro-Hungarian Empire. Why?
171. Which country are Balkan mts. located in?
172. Which cash crop do Bulgars grow mostly?
173. Compare the degree of tourism development in Bulgaria and Romania.
174. Give 2 examples of the highest mountains in Bulgaria.
175. Locate the largest cities of Bulgaria and Romania on the map.

176. Which European country had communist government as the first?
177. What is the capital of Russia?
178. Explain the abbreviation of the USSR.
179. Give 2 examples of Moscow's historical buildings.
180. Which Russian city is called Venice of the North?
181. Which ethnic minorities can we find in Russia besides the Russian one?
182. Describe the landscape and climate of Siberia.
183. Give 2 raw materials in which Russia is 1 of the leading producers.

184. Which crops is Russia the leading producer in?
185. Locate the most fertile area of Russian agriculture. How do we call it?
186. Describe the forestry pattern in Russia.
187. What types of industry prevail in Russia?
188. How long is Trans-Siberian railroad? (km)
189. Why is Lake Baikal so important?
190. Locate the largest Russian cities on the map.

191. What is the capital of Ukraine, Moldova, Belarus, Estonia, Latvia and Lithuania?
192. Which East-European country has at its disposal large fertile plains?
193. When did the nuclear accident happen in Chernobyl?
194. Which areas of Ukraine are the most heavily industrialized?
195. Locate the largest Ukrainian cities on the map.
196. Which European country is ultimately the poorest?
197. What is the main source of income for Moldovians?
198. Which European city represents the headquarters of CIS?
199. Who is Lukashenko?
200. Which of the Baltic states is typical Protestant?
201. Which of the Baltic states is the smallest by total area?
202. Which of the Baltic states has the central location?
203. Which of the Baltic states is very similar to Slovakia?
204. Which of the Baltic states is typical Catholic?
205. Where can we find the biggest amber deposits in Europe?
206. Locate the largest cities of all the Baltic states.

207. What is the capital of Poland, Czech Republic, Hungary, Austria and Slovenia?
208. Describe the similarities among Central-European countries.
209. Give an example of conurbation in Poland.
210. Where can we find Wawel castle?
211. Locate the largest Polish cities on the map.
212. Which commodities are exported from Czech Republic the most?
213. Why do you think Czech economy has always been better than the Slovak one?
214. Locate the largest Czech cities on the map.
215. What raw material has the biggest deposits in Hungary?
216. Give 1 example of traditional Hungarian food.
217. Locate the largest cities of Hungary on the map.
218. Which mountain range interferes into Tyrol?
219. Locate the largest Austrian cities on the map.
220. Which country was the latest to accept Euro currency?
221. Which European capital belongs to the smallest ones?
222. Give an example of Slovenian firm.
