

Revision of world biomes and industries

1. What's the main problem of equatorial rainforests? Why do people cut the trees there?

.....

.....

.....

.....

2. Using the map below list 3 examples of African countries which are located in equatorial climate:

1.
2.
3.

3. Compare agriculture conditions between France and Indonesia in general (outline 3 differences):

.....

.....

.....

4. Is the following statement correct? (yes/no) Justify Your answer.
 "Population of arid regions concentrates usually to mountain areas."

.....

.....

.....

.....

5. List 5 large South-East Asian cities located in equatorial climatic zone. Next to each city write a country it is located in.

1.
2.
3.
4.
5.

6. Explain why rainforests occur only around equator and not around both Tropics. (give 2 reasons why...)

.....
.....
.....

7. Which of the following is the characteristics of Ferralitic soils? Justify Your answer.

- very good fertility very poor fertility

.....
.....

8. Give 4 examples of animal species living in savanna:

1.
2.
3.
4.

9. Give 3 facts to explain what are the reasons and consequences of malnutrition in India?

.....
.....
.....

10. Mark a group of countries with the lowest literacy rate:

- Mali, Niger, Chad, Pakistan, Egypt
 Turkmenistan, Sudan, China, South Korea, Colombia
 Saudi Arabia, Tajikistan, Cambodia, Bolivia, Côte d'Ivoire

11. Mark a group of countries with the lowest life expectancy:

- Japan, Netherlands, Burkina Faso,
 Zimbabwe, Belgium, Guatemala, Slovakia
 Mali, Afghanistan, Niger, Mauritania, Zimbabwe

12. Is the following statement correct? (yes/no) Justify Your answer.

“Droughts are common around Mediterranean sea.”

.....
.....
.....
.....

13. Is the following statement correct? (yes/no) Justify Your answer.

“Women are accepted in Muslim countries a lot.”

.....
.....
.....
.....
.....

14. Choose 1 famous tourist destination in the world and outline 2 positive impacts on economy and 2 negative impacts on its environment.

Destination:

Economy:

Environment:

15. Which of the following defines the world distribution of the polar climatic zone?

from polar circles to the poles

from 80° of latitude to poles

from 55° of latitude to poles

16. Choose 1 of the vegetation zones and give 2 advantages and 2 disadvantages of You living there:

Advantages:

a)

b)

Disadvantages:

c)

d)

17. What are most endangered areas in the world because of acid rain? Write 3 examples of that countries.

❖

❖

❖

18. Draw and describe the process of greenhouse effect.

19. List 3 main consequences of acid rain.

■

■

■

20. List 2 main consequences of global warming.

-
-

21. Write 3 examples of most vulnerable regions because of global climate change.

- a)
- b)
- c)

22. Explain the term *biological cleaning*.

.....
.....
.....

23. What are 2 main chemical pollutants (molecules) of soil pollution?

-
-

24. What is the main pollutant of the oceans?

.....

25. Give 3 examples of countries with largest oil reserves:

- a)
- b)
- c)

26. Give 3 examples of countries with largest natural gas reserves:

- d)
- e)
- f)

27. Give 3 examples of countries with largest coal reserves:

- g)
- h)
- i)

28. Explain, how geothermal heat can be used in countries such as Iceland and New Zealand:

.....
.....
.....
.....

29. Why are countries such as Norway, Sweden or Canada so successful in production of electricity per capita?

30. Which of the following doesn't belong to primary industry? Justify Your answer.

- mining quarrying banking agriculture forestry

.....
.....
.....

31. Which of the following doesn't belong to renewable energy sources?
O sun O wind O coal O biomass O geothermal energy

32. List 3 examples of heavy industry.

-
-
-

33. List 3 examples of light industry.

-
-
-

34. List 3 examples of tertiary industry.

-
-
-

35. Which country is a world's biggest crude steel producer?

.....

36. Give 2 differences between primary and secondary industry.

1.
2.

37. Choose a high-tech area and write 2 main features of it.

Area:

- a)
- b)

38. Explain the term knowledge-based industries and give 1 example of it.

.....
.....

Example:

39. Describe 1 difference between deindustrialization and re-industrialization:

.....
.....

40. Explain the term science park.

.....
.....

41. Explain the term business park.

.....
.....

42. Give 2 differences between tertiary and quaternary industry.

1.
2.

43. Mark the main factor of service industry location.
- accessibility to market
 - accessibility to communication
 - accessibility to production

44. Which of the following doesn't belong to distributive services?
- wholesale and retail
 - postal services and government
 - transport and communications

45. List 3 features between industrial and post-industrial society.

Industrial society	Post-industrial society

46. Write 3 factors influencing location of industry.

1.
2.
3.

47. What's the difference between R&D and CIS?

.....

48. What is the core and what is the periphery in Slovakia?

Core:
Periphery:

49. Describe the importance of highways for a national economy.

.....

50. Give 3 solutions of traffic congestions in general.

1.
2.
3.

51. Give 4 examples of marketing mix of services and describe them.

1.
2.
3.
4.

52. Choose 1 motive of FDI, explain it and give 1 example.

Motive:
Explanation:

Example:

53. Is the following statement correct? (yes/no) Justify Your answer.
“Headquarters of progressive tertiary companies often concentrate to peripheral areas.”

.....
.....
.....
.....

54. Give 1 reason why are SME so important in regional development.

.....
.....

55. Give 3 features of developed and developing countries according to NIDL.

Developed countries	Developing countries

56. List 2 examples of a MNC.

1.
2.
