## **THE UNITED NATIONS**

**THE IDEA OF:**

**SHOULD BE REPLACED:**

**AIM:**

- **25 April 1945**      **San Francisco, the USA** – the President Truman called the conference to work out the basic document **THE CHARTER of the UNITED NATIONS**

- **BODIES:**

**GENERAL ASSEMBLY** – all members would have equal voting rights

**SECURITY COUNCIL** – with the power to decide whether UNO should intervene in disputes which threatened international peace. Five permanent members – the USA, Britain, France, China. Each had the right of a veto – the right to stop a decision

- **July 1944**              **Conference at Breton Woods, the USA**

- the Americans and the British set up the **INTERNATIONAL MONETARY FUND**  
**THE WORLD BANK**

- the Fund would lend money to countries whose economies were in poor shape and whose currencies might suddenly have to be devalued

- the Bank would lend money for re-building war-torn Europe.

- it was suggested to establish an **INTERNATIONAL TRADING ORGANISATION**, never came into existence

- instead of this, GATT – the **GENERAL AGREEMENT ON TARIFFS AND TRADE**
